MEDIA RELEASE

**AUSTRALIAN AGRICULTURAL
INNOVATION SYSTEMS
AT THE CROSSROADS**

CONFERENCE: Hotel Realm, Canberra, 29 & 30 May 2013

Australian
Farm Institute

Australian Farm Institute Conference

The Institute would like to remind you that the 'Australian Agricultural Innovation Systems at the Crossroads' conference will be taking place **today**, Wednesday 29th and on Thursday 30th of May at the **Hotel Realm** in **Canberra**. The times and address are included below:

* 9am - 5pm each day

* Keynote speaker, Professor Ian Chubb, Australia's Chief Scientist, will be discussing the role of science in agricultural innovation at the conference dinner which is being held from 6.30 - 10pm this evening.

Location:

Hotel Realm, 18 National Circuit, Barton, ACT 2600
Tel: +61 2 6163 1888 • Fax: +61 2 6163 1801

Details of all conference sessions are provided [here](#).

Speaker profiles can also be viewed [here](#), including a summary of all key speakers.

Please advise the Institute if you wish to attend any of the sessions. Questions from the media cannot be asked during the conference sessions, but interviews can be organised with speakers at the completion of each session.

Please contact Clementine Julian on 0416 979 363 or via [email](#) if you wish to attend any of the sessions or have any questions.
